PUBLIC QUESTION TIME

Mrs Compton (resident) referred to the Wiltshire Council consultation about implementing a residents' parking scheme in Kennet Place. She noted that there had been objections (but did not know how many or the reasons for objection) and that the consultation had been referred to the Cabinet Member for a recommendation. She felt that the objections received clearly showed that people wanted to be able to use Kennet Place as a free car park which strengthened the case for the residents' scheme, and asked whether this could be conveyed to the Cabinet Member.

One member of the public left the meeting

11/24 APOLOGIES

Apologies for absence had been received from **Councillors Fogg, Ross, Farrell, Davies, Luson** and **Kohrt**

12/24 DECLARATIONS

There were no declarations of interest.

13/24 CHAIR'S ANNOUNCEMENTS

Two consultation letters had been received for applications already reviewed by the Committee which had recently been updated with amended plans. The comments date would expire before the next Planning meeting. Members could review them and comment online individually if they were so minded. The applications were:

PL/2024/02729 – D'Arenberg House, Chandlers Yard, High Street, Marlborough. The Town Council had objected to this application at the last meeting on 7 May (*Min. No. 561/23 (g)*). The Chair had reviewed the updated plans and felt there was no material difference to the original.

PL/2024/02834 – Rosslyn, 42 London Road, Marlborough. The Committee had voted 'no objection' at the meeting held 8 April (*Min. No. 307/23 (d)*).

Councillor O'Brien joined the meeting

14/24 MINUTES

RESOLVED: that the minutes of the meeting held 7 May 2024 were approved as a true record and signed by the Chair

15/24 ACTION LOG

Members noted the updated action log. Verbal updates included:

#1: Traffic survey – **Councillor Sadler** referred to the minutes of the last meeting and noted a modelling run would include the removal of parking spaces in Pewsey Road. Declaring an interest, she raised concerns that residents of the High Street with no parking used these spaces and were very likely to object to their removal, and wondered whether the light-controlled crossing points at Marlborough College were a greater cause of congestion. **Councillor Hall** explained that it was felt that 3 spaces caused significant congestion at times; the results of the modelling would show whether this was fact. The **Chair** suggested that **Councillor Sadler** should be able to see the model. **Councillor Thomas** explained that the purpose of the modelling process was to be able to make evidence-led decisions. She personally would not like to see any parking spaces removed anywhere, but the model would show whether parked cars caused real issues to traffic flows. The pedestrian crossings had also been included in the modelling. At the end of the process should there be any proposed changes to road layout, then Wiltshire Council's procedures included a mandatory public consultation so that residents, road users and others could have their say.

#7: Manton traffic calming scheme: **Councillor Thomas** reported that the bid for funding had been successful, and it was good news that the improvements to the road would now be in the pipeline for an estimated completion within 12-18 months. The **Town Clerk** noted that the Town Council had not received any formal notification from Wiltshire Council about this.

#76: Frees Avenue speed reduction – objections had been received to Wiltshire Council's consultation about extending the 40mph zone to Rockley. At the last LHFIG (Local Highway and Footway Improvements Group) meeting the Highway Engineer had

indicated that his report to Cabinet would recommend extending the 40mph zone beyond the entrance to the Cemetery and close to the boundary of the Common, which was much closer to the Town Council's original request than the proposal under consultation and recommended by Atkins.

#220: check planning status for illuminated signs at High Street premises – the **Town Clerk** had received a reply from Wiltshire Council which advised that:

- Advertising consent was required for illuminated signs; if the location was a listed building, this consent would also be required
- Applications would be considered against criteria within Core Policies 51 and 57 and the AONB plan for dark skies
- It was not possible for Wiltshire Council to provide a list of consents already granted, but these could be searched online on the Planning and Building Control Public Register
- Any premises with signs that were believed not to be compliant could be reported to Wiltshire Council for investigation and potential enforcement

It was not clear whether the above also applied to illuminated screens (with moving images) mounted inside shop windows, which were becoming more common.

Councillor Sheppard offered to enquire whether there was any proposed legislation to cover illuminated screens.

16/24 PLANNING DECISIONS

Members noted the planning decisions that had been issued by Wiltshire Council.

17/24 PLANNING APPLICATIONS

a) **PL/2024/04021** – Loft conversion with rear box dormer window at 11 Macneice Drive, Marlborough, for Mr & Mrs Fran Carpenter

RESOLVED: that Marlborough Town Council has no objection to this application

b) **PL/2024/01825** – Conversion of garage into an exclusive home office, replace single skin rear wall with patio sliding doors. The street view of the garage from the front and side will remain the same, and no noticeable difference from public street view or to neighbours at 7 Betjeman Road, Marlborough for Mr Lewis Fackrell

RESOLVED: that Marlborough Town Council has no objection to this application

18/24 WORKS TO TREES

No applications had been received.

19/24 SPEED INDICATOR DEVICES (SID)

Members noted the data report for 2 April to 13 May downloaded from the SID at Herd Street. It was generally felt that the SIDs had achieved their aim in bringing down average speeds, and the **Chair** suggested it may be useful to find other locations to add to the rotation plan.

20/24 TOWN CENTRE WORKING PARTY

The next meeting would take place in a few days' time.

Councillor Shantry had received positive comments from residents about the new planters, trees and repainting of street furniture, and was looking forward to seeing the new finger posts installed. Painting of the railings at the river bridges could not begin until the Bridge Team at Wiltshire Council (which owned the railings) had given its permission. The **Deputy Town Clerk** was in contact with them, and the Town Clerk would ask her to chase up a response so that the team could start work. If there was still no reply, he hoped that **Wiltshire Councillors** might be able to help by following up internally.

21/24 TEMPORARY ROAD CLOSURES

Members noted temporary road closure orders issued by Wiltshire Council:

- To close temporarily to all traffic Cross Lane (part), Marlborough from outside the property known as Long Summers for a distance of approximately 20m in a northerly direction between 08:00 and 16:30 for 5 days starting 8 July to enable Scottish and Southern Power Distribution to carry out joint hole in carriageway, 1 meter trench in carriageway, to facilitate a new electrical supply, back fill and reinstate
- To close temporarily to all traffic The Parade (part), Marlborough from its junction with A4 New Road to outside the property known as No 8 The Parade on Saturday 15 June between 08:00 and 23:30 for the Parade Family Festival

The meeting closed at 7.26 pm

5	To ask the originator of the High Street crossing petition (Mrs Vera Hamblin) for views on the current CATG proposals, and to seek a meeting with a Highways Engineer to clarify the options available, to be reviewed at the next meeting		Town Clerk	In Progress	31 August 2021	<p>Town Clerk spoke to Mrs Hamblin on 25.10.21. Mrs Hamblin's view was that what was needed was a 'proper' crossing that suitably assisted those in particular with 'vulnerabilities' such as impaired vision or mobility to safely cross the large and busy High Street. A 'soft' crossing scheme as proposed she felt was inadequate for the needs of many of Marlborough residents. On 1.11.21 Cllrs Hall, Thomas, Sheppard, & Town Clerk met WC Highways engineer, Martin Cook to discuss ideas/options. MR undertook to see what scheme could be devised to cross High St near where Waitrose is located.</p> <p>10.01.22: Cllr Thomas submitted CATG request to MTC on 14.3.22. MTC support - CATG request forwarded to WC on 15.3.22.</p> <p>06 06 2022: Mrs Hamblin indicated that she was now more willing to accept any location rather than no crossing at all. Request with LHFIG but likely to be subject to a substantive bid once assessed by an engineer. WC Highways engineer to do plan and costing. 28 11 22 Discussed at LHFIG on 24 11 22 - WC Highways to do feasibility plan and costing in readiness for 2023 24 substantive bid in June/July 2023(if feasible). 14.2.23 Plan received from WC Highways on 14.2.23, on agenda 27.2.23 for MTC Planning Committee consideration.</p> <p>27.2.23 Scheme deemed not appropriate/suitable by Planning Committee; referred to Town centre Working Party; LHFIG advised.</p>

Issue Details

Location of Issue:	Poulton Hill. The Stretch of the C5 Road from the bottom of Poulton Hill from start of 30mph restriction (travelling from Mildenhall) past Tin Pit Rd to St Martin's and start of 20mph region
---------------------------	--

Community Area:	Marlborough
Parish or Town Council:	Marlborough Town Council
Nature of Issue: Road Safety Issues to People and Children on Narrow Pavements with Vehicles passing this stretch of road	
<p>a) Speeding Vehicles (Cars, Vans, & Lorries) endangering people & children on the exceedingly narrow pavement between St Martin's to Tin Pit & then still narrow down to the Og Bridge region of footpath but also to other vehicle traffic pulling onto/off this Poulton Hill C5 road stretch.</p> <p>b) There have been numerous traffic near-misses of people, walkers, push-chair users and toddlers going to/from schools on the exceedingly narrow pavement, which has a low kerb height (~50mm) as well as narrow road width in the Vicarage Close region where counter passing vehicles are overhanging the pavements with their wing mirrors because there is no physical road/pavement barrier to protect people.</p> <p>c) Ever increasing heavy lorry & vehicle traffic on the C5 Road.</p> <p>d) Rainstorms cause a "river" of water to flow next to the curb, resulting in pedestrians being soaked by vehicles passing far too close to curb. Recent Cable laying and Thames Water works has caused road erosion and potholes.</p>	
How long has it been an issue?	1 st Nov 2014
What would you like done to resolve this issue?	
<p>Footpath Maintenance: 1) Remove mud/earth and grass that has encroached onto and over footpath section around the Tin Pit Road region and at some other regions down the remaining part of the hill, so as to keep the footpath width maximised as well as cutting back vegetation narrowing the effective footpath width – See Appendix Attachment</p> <p>Road Pothole filling and Resurfacing: 2) Repair and resurface road in damaged, eroded areas and gutter regions before White Lining commences – See Appendix</p> <p>Painting of white lines comprising: 3) wide white line down edge of road to indicate to drivers where the footpath curb is and make them aware of it so they don't drive onto and so near to the footpath with very low ~50mm kerb height. 4) 3 white lines across the road before and after white "SLOW" and "30" signs suitably positioned at points along the road.</p>	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes

Recommendation

Members are asked to consider the improvement request and whether to support its submission to Wiltshire Council Highways and/or Wiltshire Council Area Board Local Highway and Footway Improvements Group

Town Clerk
24 05 2024

To note a consultation by Wiltshire Council under the Road Traffic Regulation Act 1984 about a proposed change to speed limits on A4 (part) at Bath Road, Manton, and consider whether to make a corporate response.

Consultation

THE COUNTY OF WILTSHIRE (A4 BATH ROAD, MANTON, MARLBOROUGH) (40MPH SPEED LIMIT) ORDER 2024

NOTICE IS HEREBY GIVEN THAT Wiltshire Council proposes to make the above Order under the Road Traffic Regulation Act 1984 the effect of which will be to revoke The Trunk Roads. (40mph Speed Limit) (No.8) Order 1964 and re-enact it in the above Order and to introduce a 40mph speed limit on the following length of road:

A4 Bath Road, Manton, Marlborough – from a point 234 metres west of its junction with College Fields to a point 52 metres west of its junction with Downs Lane

Reason: For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

The request for the proposals came from Marlborough Town Council due to concern of pedestrian safety and the speed of traffic along the A4.

Copies of the draft Order, plans and Statement of the Council's Reasons for proposing to make the Order may be inspected at the offices of Wiltshire Council, County Hall, Bythesea Road, Trowbridge during normal office hours. Details of the proposed scheme may be seen at Marlborough Library, 91 High Street SN8 1HD between the hours of 2pm to 7pm Monday, 9.30am to 5pm Wednesday and Friday, 9.30am to 7pm Thursday and 9.30am to 1pm Saturday until 1st July 2024. Documents can also be viewed online at <https://www.wiltshire.gov.uk/troconsultations>

Comments on the proposal together with the reasons for which they are made should be sent in writing to reach the Sustainable Transport Group, by email to TrafficOrderConsultations@wiltshire.gov.uk or via the website by 1st July 2024 quoting reference LJB/TRO/MARL40.
